SUMMARY

Computer Science student with experience in developing full-stack web applications and AI-based systems. Developed real-time solutions using machine learning and document intelligence. Seeking a software development internship to apply technical skills and contribute to real-world projects.

EDUCATION

2023 – 2027 B.Tech, Computer Science & Engineering at **Graphic Era Deemed University**
2021 – 2023 Senior Secondary (CBSE), **Nirmala Convent Sr. Sec. School, Kathgodam**

PROJECTS

SafeNav – URL/Links Checker Tool | *Python, Flask, FastAPI, ML, Scikit-learn* [GitHub](#)

- Built a machine learning-based system to detect phishing URLs using URL pattern analysis and domain-based feature extraction.
- Developed a real-time URL analysis system to classify and flag malicious links instantly.
- Designed a responsive frontend interface for instant risk feedback and improved user experience.
- Implemented RESTful APIs using FastAPI to handle dynamic user input and generate real-time analysis results.

PagePilot: AI Document Assistant | *React.js, Node.js, MySQL, RAG* [GitHub](#)

- Built an AI-powered document assistant for querying PDFs using real-time chat-based interaction.
- Developed a React-based UI for seamless document upload and interactive response visualization.
- Implemented backend APIs in Node.js to handle document processing and AI-driven query execution.
- Designed a Retrieval-Augmented Generation (RAG) pipeline for context-aware responses and integrated MySQL for efficient data storage.

SKILLS

Programming:	C++, Python, Java, SQL
Web Development:	HTML, CSS, JavaScript, React.js, Flask
Backend & Distributed Systems:	Node.js, Express.js, Spring Boot, REST APIs, Redis
Databases:	MySQL, PostgreSQL
Machine Learning:	scikit-learn, NLP, Random Forest, SVM, Decision Tree
Cloud & DevOps:	AWS EC2, Docker, Load Testing (k6), Linux
Core Concepts:	Data Structures & Algorithms
Tools & Platforms:	Git, GitHub, PyCharm

CERTIFICATIONS

Cloud Essentials	AWS Skill Builder, Virtual	Aug 2025 – Present
AWS Artificial Intelligence Practitioner	AWS Skill Builder, Virtual	Jul 2025 – Nov 2025
Blockchain And Its Applications	NPTEL, Virtual	Jan 2025 – Apr 2025
